ACBA Champions League is a non-competitive baseball league for individuals with special needs between the ages of 4 to 23 years old. All abilities are welcome and each athlete is given the opportunity to be paired with a buddy to assist them during the game. The buddy will assist with batting, fielding, running bases, and throwing as needed. Our goal is for all players to experience the thrill of the game.

Skills/ Field Day is the day we practice the skills needed for game day and provides us the opportunity to register players and create teams. Skills/ Field Day will be held on May 3rd from 10-12 at the Bishop McNamara softball field. Activities that day will be moved into the gym in the event we get rain. We will still do registration that day regardless of the weather.

Games will be played on Saturday mornings in June at the Bishop McNamara softball field. Game times will be announced. Baseball games may be played as t-ball or coach pitch and all players will get to bat at every inning. Games consist of 2 innings. Teams will be announced the week after skills day in May. Please check our Facebook page to stay updated on weather and other information.

PICTURE DAY will be announced when the date has been chosen. All pictures can be ordered and purchased online after picture day when available.

Players from any town are welcome to join our league. We are always in need of buddies (recommended age is 12 and up) to pair with our players. If interested in being a buddy, please reach out and contact us.

**\*This year's program fee is \$30.** Sign up prior to skills day to be guaranteed a jersey and a hat. Sign-ups after skills day are not guaranteed to receive these items. *\*We ask that all athletes and buddies bring a water bottle with them every Saturday that we meet. A light snack will be provided after the game or between games if multiple games are held.*

Follow us on Facebook for any last minute announcements and updates at
